**Circular Name: How to setup a Client on NCEL Client Portal**

An NCEL Registered Broker can setup his clients with NCEL Client’s Portal Account by using following methods.

- 1) NCEL Registered Broker can setup a Client’s Portal Account using ‘Add Trader’ option in TAMS.

In order to provide NCEL Client Portal access to the client, NCEL Registered Broker should check the required option as shown below. Trader email address is mandatory for portal access. A system generated email is sent to the client’s email address containing portal access details.

The screenshot shows the 'Add Trader' form in the TAMS system. The 'Client Portal Access' checkbox is checked and circled in red. The form includes the following fields and options:

- Trader ID\*: TRDZ091213
- Trader Name\*: 234234
- Account Category:  Individual  Corporate
- Address: 23423
- UIN: 9131314312423
- Phone: [Yellowed out]
- Mobile: [Yellowed out]
- Email: [Yellowed out]
- Client Portal Access:
- User: MEMZ090000
- Rating: 2
- Commodities: Available (GOLD, RICE) and Selected (empty)
- General Limits: Long, Short, Max Order Size

A 'Save' button is located at the bottom right of the form.

- 2) NCEL Registered Broker can also enable or disable the client's NCEL Client Portal Account using the 'Client Portal Access' option under 'Trader Management' in TAMS.

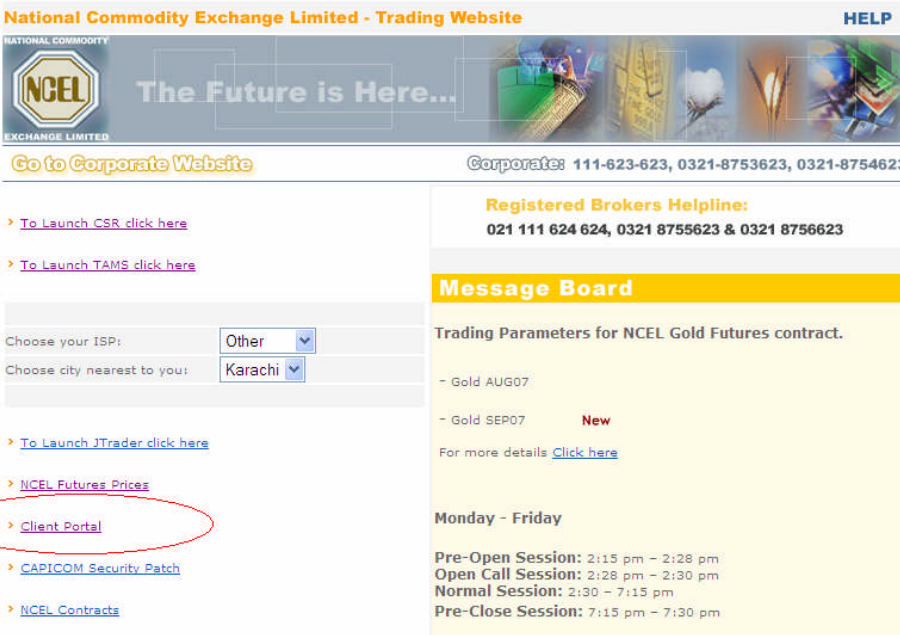

Please note that Trader email address is mandatory for NCEL Client Portal access.

The screenshot shows the 'Trader Account Management System' interface. At the top, it displays 'User: MEMZ090000 Type: Member' and a 'Logout' link. On the left, there is a navigation menu with 'UIN Management', 'Trader Management', and 'User Management'. The main content area is titled 'Client Portal' and contains two radio buttons: 'Enabled Traders' (selected) and 'Disabled Traders'. Below this, there is a 'Traders' section with a dropdown menu showing 'TRDZ093333' and a 'Disable' button.
