

PMEX holds Technical Training Workshop in Lahore

Karachi 25th April - Pakistan Mercantile Exchange in continuation of its educational activities held a workshop in Lahore for its Brokers and Investors. The workshop was another one in a series of such trainings held earlier also with special focus on educating investors who are interested to trade in commodities as well as the brokers who assist people to trade on the Mercantile Exchange.

The Workshop was attended by participants from varying backgrounds – ranging from the manufacturing sector and businessmen along with brokers representatives. The three day workshop covered of Money Management, Trading based on Technical Analysis, reading charts and signals, as well as developing the right trading attitude.

The Lahore workshop was conducted by Mr Amjad who is a seasoned trainer on Panel of the Pakistan Mercantile Exchange with vast experience in the International as well as the local market.

PMEX plans to continue with such workshops in an effort to build awareness of the Commodity Trading techniques and methods and to cover the gaps at the Brokers and Traders ends so they are well equipped to handle the Investors portfolios and assist them in their investment and trading decision making.
