**PMEX Revised Market Timings**

---

All brokers are hereby informed that due to daylight saving coming into effect in the U.S., trading in international commodity futures such as Gold, Silver, Crude Oil and ICotton will start at 02:57 am PST on every Monday, with effect from March 14, 2016. Regular market opening timings i.e. 05:00 am PST will be observed from Tuesday to Friday.

Please note that PMEX allows the first three minutes (i.e. 02:57am to 03:00am) for Good Till Cancel (GTC) order modifications. During this time, no new orders will be accepted and price quotations will start at 03:00 am.

In the ICotton contract, the price quotations will start at 07:00 am up to 11:00 pm.
