**Margin and Exposure Call Notice Automation**

---

PMEX is on a continuous mission to bring enhancements in its systems to provide swift and superior service to its brokers. In the same resolve, we have developed yet another system in our system, whereby from Monday May 5, 2014, brokers will be sent Margin and Exposure Call notices for all account types through auto generated Emails and SMS.

These automated notifications will be sent to brokers' key personnel as specified in the Clearing, Settlement & Reporting (CSR) system. In this regard, all brokers are strongly advised to update email addresses and mobile numbers of their key employees in the CSR at the earliest so that they may get information in a timely manner.
