**Internet Service Degradation**

---

All brokers are hereby informed that you may experience slow connectivity or difficulty in connecting to PMEX trading system from May 25 – June 02, 2016. This is due to degradation in internet service as a result of uplink connectivity issue with international cable system.

For further information and assistance, please feel free to contact our Customer Support Services by phone on 021-111-623-623, 0300-8213-324 and 0321-8756-623 or by email at [support@pmex.com.pk](mailto:support@pmex.com.pk).

Best regards,
