**Subsidy to Farmers by SEDF on Red Chilli Trade at PMEX**

---

Pakistan Mercantile Exchange Limited (PMEX) is pleased to inform that Sindh Enterprise Development Fund (SEDF), Government of Sindh, has approved subsidy to farmers/sellers on PMEX transaction fee (Rs. 2.50/kg). Please note that this subsidy is available up to 6,000 tons of total trading volume at PMEX, on a first come first serve basis.

Accordingly, w.e.f. October 13, 2016 farmers who sell their red chilli on PMEX trading platform will not be charged any fee up to the above stated limit.

The Exchange is confident that this initiative of trading fee subsidy will go a long way in encouraging farmers to actively trade at PMEX.
