PMEX Revised Market Timings

All brokers are hereby informed that due to daylight saving coming into effect in the U.S., trading in international commodity futures such as Gold, Silver, Crude Oil and ICotton will start at 03:57 am PST, on every Monday, with effect from November 2, 2015. Regular market opening timings i.e. 05:00 am PST, will be observed from Tuesday to Friday.

Please note that PMEX allows the first 3 minutes (i.e. 03:57 am to 04:00 am) for Good till' Cancel (GTC) order modifications. During this time no new orders will be accepted and the market maker will start price quotations at 04:00 am.

In the ICotton contract, the market maker will quote prices between 08:00 am till 12:00 am subject to availability of liquidity in international markets.
