### Reduction in Trading Fee for Milli Tola Gold Futures Contract

---

Pakistan Mercantile Exchange (PMEX) launched *Milli Tola Gold* futures contract with an objective to facilitate investors to gradually accumulate gold in small denominations in a convenient and secured way. In line with this objective and to further facilitate the investors, PMEX is pleased to announce a 25% reduction in trading fee (per lot) to Rs. 0.74 from existing Rs. 0.99, with effect from December 1, 2014.

The breakup of overall existing and revised fee structure of Milli Tola Gold futures contract is given below:

Fee Type	Existing Fee (Rs.)	Revised Fee (Rs.)
Exchange Fee	0.99	0.74
Investor Protection Fund	0.01	0.01
SECP Levy	0.10	0.07
<b>Total Fee Per Contract</b>	<b>1.10</b>	<b>0.82</b>

PMEX strongly believes that the reduction in trading fee will encourage existing and potential investors to participate actively in the small denomination contract.
