**Incorrect Registration Details**

---

This is in continuation to Circular No. PMEX/MKT,BD&CSS/2015/26 dated July 29, 2015 whereby brokers were advised to immediately regularize all incorrect registration details of their clients in the Electronic Trading System (ETS) of the Exchange.

In this regard, it has been noted that some of the brokers have not complied with the aforementioned advice. Therefore, brokers are reminded in their own best interest to regularize the registration details of their clients in ETS, latest by December 31, 2016. Failure to comply with this notice may lead to disciplinary action against the concerned broker.
