Major Update of MetaTrader 5

All brokers are hereby informed that MetaQuotes has done major update in its MetaTrader 5 (MT5) platform and released the updated platform for its global customers. In this regard, the Exchange will update its MT5 trading platform and make it available for trading from November 16, 2018.

The major update comprises improvement in existing features, addition of new features, fixation of bugs and optimization of the platform. For new features details, please refer the release notes available on our website (<http://www.pmex.pk/wp-content/uploads/2018/11/New-MetaTrader-5-platform-build-1930.pdf>).

In case there are issues using MT5, brokers are advised to report those issues to the Exchange and use NEXT trading terminal as an alternative.

For further information and assistance, please feel free to contact our Customer Support Services by phone on 021-111-623-623, 0300-8213-324 and 0321-8756-623 or by email at support@pmex.com.pk.

Best regards,

for
